THE GLORIOUS FOURTH

How the Day Will Be Celebrated in These Parts

THE LEDGER will take the day off tomorrow—the Fourth—and as usual no paper will be issued.

All the Banks and the Internal Revenue office will be closed, the Postoffice will have only its morning delivery and collection, as is the usual custom, while the Rural Route Carriers will make no delivery for the day.

In Maysville there will be no special celebration in a patriotic way.

The only out of the ordinary events are the ball games between the Bloomer Girls and the local team at East End Park at 10 a. m. and 3 p. m., followed by the fireworks at Beechwood Park in the evening.

At Ruggles Campground the annual reunion of the Old Settlers of Mason, Fleming and Lewis counties will be held. These gatherings on these beautiful old grounds each year are full of pleasant reminiscences and are always largely attended. A fine program has been arranged for this year, and many from this city will be in attendance.

A THOUGHT FOR THE SICK.

It is noted with approval that Judge Lynch does not draw the color line in the South. A Georgia mob composed of white men took a white brute from Jail and strung him up on a railroad viaduct at Dalton. A Southern mob plays no favorites.

THE bill recently passed by the Illinois Legislature forbidding the police to photograph prisoners for the rogues' gallery except after conviction is merely an indorsement of the right of an accused person to be held innocent until he is proved guilty. It is generally commended.

WHILE the degree business is sweeping over this terrestrial ball, why not have ROOSEVELT make Mark Twain at least an honorary member of the "Ananias Club?" Mark is a past master in the gentle art of prevarication and has told enough of them in his time.

At the recent convention of Ohio bankers in Cincinnati, a high financier of Washington declared that the whole financial system is obsolete and no good. As the banks are making a barrel of money and the bankers the largest salaries ever known, the question naturally arises, if they are so prosperous under the present obsolete way of doing business, what, pray, would be the limit of their prosperity under ideal conditions?

In readjusting the salaries of Postmasters, which up to a certain point are based on stamp cancellations, the officials found that the present prosperity, as far as it affected the postal service, spreads into every state in the Union. Every section of the country has its proportionate share. The increase of the salaries of Kentucky Postmasters in two score of cities of the state is an unfailing barometer of progress and business. There never was such a sweeping and general increase shown in the Kentucky postal business, and next year another just as big an increase will, no doubt, result.

WASTING TIME.

A sophisticated mother who felt responsible for the future of her daughters said to one of them: "Anna, what did young Mr. Jones say to you last night when he was buttoning your glove? I saw he was slightly excited." "Why," answered Anna, "he said that the person who made a glove so hard to button as that deserved to be killed." "My dear," retorted her mother, impressively, "don't waste any more of your time on young Mr. Jones."

The Government officials have accomplished their work in raising the wickets on Davis Island Dam.

The Sprague is making fine time on her present trip South, having in tow fifty-seven coalboats and seven barges.

Rainfall in the Monongahela and Allegheny valleys caused a slight rise in the Ohio and stayed the falling water.

The Little Kanawha river has been closed to navigation, owing to the decision of the Government to repair the locks. It is said the river will be closed for six months.

A new towboat out for honors is the Marion Riggs, built on the Ways at Higginsport, by Captain B. J. Riggs, who formerly owned the Ada V. and the Emma Couper. The new craft is 96.5 feet over all and a stanch vessel as ever turned out of the Higginsport ship yards. She has a thirty-eight-foot "stroke, which will be ample to take care of any business that comes her way.

BRICK STREETS
Maysville's Progressive Citizens Pay Promptly For Model Improvement—T. A. Davis First on the Roll

It is a matter of much gratification to see the promptness with which the public-spirited citizens of Maysville are coming forward and paying their new brick street assessments.

Coincident with the building of the brick streets is the fact that over twenty years ago Thomas A. Davis, then Editor of The Maysville Republican, was the first one to start the ball rolling for street improvements and from that on, in season and out of season, he continued to wield his trenchant and forceful pen in behalf of the improvement—the same may be said to his credit in regard to free turnpikes—and now that he has realized the fruition of his labors and efforts in behalf of the betterment of his native city, he was the first one Monday morning to walk up to the Captain's office and plank down the cash for his entire assessment, and therefore holds receipt No. 1 on the honor roll.

Following a few minutes later came Mr. J. B. Russell with a payment of \$1,400; Father P. M. Jones with something over \$700; Mrs. Mary Wilson, \$422; January heirs, \$300; Mose Daulton, \$253; the State National and First National Banks, and so with a great many others, until the aggregate yesterday afternoon was \$4,723.

A great many others will pay today as interest will be counted from July 1st on all sums paid after this evening.

Many expressed themselves as greatly pleased with the improvement, and say it is the first thing that has given Maysville the typical appearance of a modern city, and that the costs, as compared with that of other cities with like improvement, is altogether reasonable.

A strange disease is killing hundreds of hogs in Hopkins county. When attacked the animals lose the use of their legs and their hoofs swell to enormous size.

A LONG-FELT WANT.

It is Supplied at Last in Maysville.

Ever have itching piles?
Not sick enough to go to bed; not well enough to be content.
The constant itching sensation.
Spoils your temper, nearly drives you crazy.
You can have relief and cure if you will follow the advice of a local citizen.

Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March, 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment cured me, as stated in a testimonial given at that time. During the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes and find that it is a specific for skin troubles and all itching diseases."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
